Meeting called to Order – 10:08 AM. by Co-Chair, Barbara Kappos

1. Welcome and Introductions
2. Introduction of the members from Mathematica Research Group- Mathematica works across the United States and around the globe, partnering with federal agencies, state and local governments, foundations, universities, professional associations, and businesses, to uncover evidence on health, human services, and international topics. The presentation today is on their MediCal findings and how it relates back to the domestic violence field. The Committee offered information and feedback on their findings. A final report will be available at a later date.
3. Update on Beyond Silos Symposium scheduled for September 29, 2021
 - a) Information on the platform was shared.
 - b) Information on the presenters and topics to be presented at the Symposium
 - c) Debriefing of the Symposium will be at our next Health Committee.
4. Resources were shared among committee members.

Meeting adjourned at 11:15 AM

Next Health Committee- November 16, 2021
